new construction projects in Hong Kong received BEAM Plus or LEED green building certification

¹ The Group has a total of 27,885 employees in Hong Kong, Mainland China and Macau. The reporting entities refer to our Corporate Office and major businesses in Hong Kong. For the profile of these entities, please refer to the Reporting Methodology section of the full report.

² "Local suppliers" refer to companies or individuals in Hong Kong to which payments are made directly, according to the G4 Sustainability Reporting Guidelines. This figure excludes New World First Ferry Services Limited, which spent 50% of its procurement budget on local suppliers because many specialized items, such as spare parts for ferries, are not available locally.

³ These include employees hired by our construction companies, and construction workers hired by these companies' subcontractors.

NWS Holdings Limited takes every practicable measure to conserve resources and minimize waste. This factsheet is printed on FSC™ certified paper using chemistry free plate system and soy ink. The FSC™ logo identifies product group from responsible forestry in accordance with the rules of the Forest Stewardship Council®.
