employees from the reporting entities¹

Over **160,000** hours of training accumulated by employees of reporting entities

¹ As at 30 June 2017, approximately 28,100 staff were employed by entities under the management of NWS Holdings Limited.

² A local supplier is defined as an organization or a person that provides a product or service to the reporting entity and that is based in the same geographical market as the reporting entity, according to the G4 Sustainability Reporting Guidelines. This figure excludes New World First Ferry Services Limited, which spent about equal split of its procurement budget on local and non-local suppliers because many specialized items, such as spare parts for ferries, cannot be sourced from suppliers based in Hong Kong.

³ These include employees hired by our construction companies, and construction workers hired by these companies' subcontractors.
